Whale SENSE Stewardship Project Title:

What Ocean Literacy Principles apply to your project (check all that apply)

- The Earth has one big ocean with many features.
- The ocean and life in the ocean shape the features of Earth.
- The ocean is a major influence on weather and climate.
- The ocean makes the Earth habitable.
- The ocean supports a great diversity of life and ecosystems.
- The ocean and humans are inextricably interconnected.
- The ocean is largely unexplored.

Please describe your project's objectives, methods, and how you know you will be meeting your goals:

**How will you share your project with passengers (i.e. a display, leaflet, added to tour narration, etc.)?
What will the take home message be?**

Please explain how you will evaluate the effectiveness of your project's message (i.e. how you will know if your message is being heard)?
